

Project Management 90 Hour Intensive Overview

Overview

Course Description: This intensive 90-hour course will focus on ways employees can run projects faster and more effectively. Participants will learn how to successfully create, monitor, and guide the project's scope and critical path, as well as how to manage multiple projects. Participants will diagnose and prevent problems such as scope creep, time slippage, and team conflicts.

The 90-hour intensive is broken down into the following three courses. Each course is designed to be taught in four and a half days. Below, each of the three courses will be broken down, showing an overview, description of each course, and detailed objectives to demonstrate what will be taught.
