***Course Description:*** Participants will focus on how to conduct the initiating and planning phase of the project. This course will focus on scheduling, creating a work breakdown structure, and planning for human resource needs. In planning for human resource needs, participants will study behavioral skills that will help motivate, equip, and keep project team members accountable and on task. This section is aligned with Project Management Institute's knowledge areas of the *PMBOK® Guide*. Each course will utilize both new content as well as best practices.

***Method of teaching:*** *Students will use discussion, cases, and group activities to facilitate the course.*
