Course Description: If you are taking this certification course, you probably have some professional exposure to the duties of a project manager, or you may be considering embarking on a career in professional project management. Your ability as a project manager to demonstrate best practices in project management—both on the job and through professional certification—is becoming the standard to compete in today's fast-paced and highly technical workplace. In this course, you will apply the generally recognized practices of project management acknowledged by the Project Management Institute to successfully manage projects.

This course is specifically designed to provide you with the proven, practical body of project management knowledge and skills that you need to demonstrate project management mastery on the job. This course is a significant part of your preparation for the Project Management Professional (PMP®) Certification Exam

The course enables candidates to develop professionally, increase their project management skills, apply a formalized and standards-based approach to project management, and seek career advancement by moving into a formal project manager job role, as well as to apply for Project Management Institute, Inc. (PMI®) PMP® certification.

The Mathis Group PMP® Exam Guarantee: In the unlikely event you do not pass the PMP® exam the first time, The Mathis Group will pay for your second attempt within 30 days. If you do not pass the PMP® exam the second time, we will pay for the third attempt within 30 days. *Note: The Mathis Group will pay the retake fee amount that is applied to PMI® members. The Mathis Group will not pay for any rescheduling fees assessed by PMI®.
