Dear Dr. Mathis,

I want to thank you for your keynote speech to begin this school year. Our faculty and staff have given me very positive feedback. The message was excellent and the humor is always a great way to start a new school year. Also, your inservice activity for our administrative team on coaching and counseling professionals in an educational environment was well received.

Again, thank you for being a part of our new school year.

Sincerely,

Dr. Charles J. Cudney
