Course Description: This course will examine the strategies of successful negotiation throughout the project's life cycle. Participants will learn the value of successful negotiation, the negotiation process, and different negotiation models. This course will include examples of negotiation over scope, deadlines, change, and getting the best price from your vendor. This course will follow one or more of the Project Management Institute's knowledge areas of the *PMBOK® Guide*.

Method of teaching: Students will learn tips, techniques, and processes through webinars, which can be accessed 24/7 and completed at their own pace. Remember, though, that you must complete the course within 60 days.

Course Objectives:

Objective 1: Define negotiation
