Dear Mr. Mathis:

On behalf of the Greater St. Louis Area Fire Chief's Association-Special Programs Committee, I would like to commend you on the class you recently conducted for us on *Personalizing Leadership* at the St. Louis County Fire Academy.

The class was very well received by all those in attendance; from Fire Chiefs to Privates. Each student is asked to fill out an evaluation form at the end of class and your class received excellent reviews!

Thank you very much for a job well done.

Sincerely,

Mike Flavin

Special Programs Coordinator
