To Whom it May Concern:

I have been associated with Dr. Keith Mathis and his firm for well over a year in my capacity as a member of the State of Missouri Project Management Standing Committee (PMSC).

During this period Dr. Mathis has given excellent service in a variety of project management related sessions held in our offices. He provides the coursework for our Missouri Project Manager (MPM) certification program and has received very high marks from every state employee who has participated. Dr. Mathis has revamped this program and aligned it to our specific needs. His input is highly regarded and I look forward to continuing my work with him and his staff.

If you would like to speak to me about any specifics of Dr. Mathis' services feel free to call me at (573) 526-7363 or email to Paul.Wright@dese.mo.gov.

Sincerely,
